PRESIDENT'S MESSAGE

First, I want to thank each of you, in case you will miss the June meeting, for all the support you have given me during the past year. In reviewing our accomplishments, I felt good about what we have done.

1st, we gained new members, not as many as we had planned and set goals for, but the ones we have gained will be assets to the organization. Also we knew when we set those goals, that we may have been setting our sights high.

2nd, we had two membership meetings where there was perfect attendance. Each of us has only ourselves to thank for that. It takes a commitment sometimes to make time for all the activities we are involved with, and I appreciate the effort of each of you.

3rd, we gave a nice scholarship to a very worthy recipient. I think we can be proud of the fact that we have continued to be able to raise the funds to accomplish this task, even when the membership declined.

Second, I would like to ask each of the committee chairs to put together a small paragraph, describing what you thought the job entailed, and what you felt your major accomplishments were for the year. This will be put in my presidents book to be passed forward to the new president to be retained with historical information, and a copy can go to the new chair to serve as a guide for them in the coming year.

Again, I want to say thanks for your support, and I trust you will continue that same type of support for Kate.
THANKS!!!!!!

Nancy Campbell
President
