November 1995

PRESIDENT'S MESSAGE

I'm writing this message before Jan Duffy, Karen Jacobson, and I leave for the National Meeting in Cleveland. We're all excited about attending this meeting and the opportunities it offers us.

We will have the chance to meet members from other chapters throughout the nation; some that we have met at other Area and National Conferences. In addition to this networking opportunity, we will learn from the good continuing educational programs and the chapter exchange. We're excited about this opportunity and hope to bring that excitement back to you!

October's meeting was an excellent opportunity to network with many of the Des Moines Chapter members and it was good to see many of them again. We often hear the saying that things come in threes and we had a fabulous "three" for our Chapter at the October meeting.

1. We have a new member! The Board approved Sheena Boten's application for membership and has submitted it to National. In November, let's take a minute and each of us welcome Sheena to the Ames Chapter.
2. We had several guests. Yes, it is good to see that we are inviting guests at any meeting, whether it is designated a membership recruitment meeting or not. The best meetings to invite a guest to, is one in which that guest has a specific interest in the program presented. It was nice to see some former guests as well as new ones too. Hopefully, they enjoyed the program and networking with the Des Moines Chapter and will come to other meetings.
3. We had an interesting and a very insightful program! It was very informative and stimulated many questions. We need to seek the answers and use the information Jill Kern provided us from her research to help promote women in the workplace. The information should enhance our understanding of the different

approaches both men and women have to the gender issue and their reactions to this challenge.

November's meeting is a timely and important topic - 1099's. There's no better time to refresh ourselves on the requirements of 1099 filings than right before we begin the mad rush to get them all identified, completed and filed. Nancy Campbell, our Past President, will be giving the program and sharing her extensive knowledge in this field and it's application in actual business settings.

Plan now to attend our November meeting - this is sure to be a program of interest to many people. See you in November!

Kate Mulder, President

Welcome, Sheena Boten!

Let's all give a big welcome to our newest member. Sheena is a student at ISU and expects to graduate in the summer of 1997. She lives in Ames, but is from Cambridge. Kathy Strum brought her to us and we're very glad she did. Thank you, Kathy, and again, "Welcome, Sheena, to the Ames Chapter of ASWA."

The following is an update on points earned through our October 12th meeting: Kathy Strum, 25; Brenda O'Neill-Smith, 5. Let's go ladies! Let's give Kathy some competition.
