Ames Chapter No. 158

September 1996

PRESIDENT'S MESSAGE

School has started! Whether you are a student, educator, parent or any member of the community, the start of school has some impact on you. As a parent, it amazes me each year to think that my children are starting the next grade in elementary, middle or high school, and now even college. Each year is filled with the promise of new ideas, goals and successes.

The start of a new school year also makes me realize that what my parents told me was true - time seems to go faster and faster with each passing year. I am sure that this year will be no exception both personally and for our Ames chapter of ASWA. Have you had a chance to look at our goals and write down your personal commitment? Now is a great time to set your goals. Next spring, we'll look back and review our successes.

The start of the school year also fills me with the desire to learn. I am one of those people who seemed to enjoy opening a new book or starting a new class. Thanks to last month's meeting, I have several new books on my "to read" list. I am headed for a wedding in Marquette, Michigan after our September meeting, I think I will take one along for the ride. Thanks for the suggestions!

CONGRATULATIONS TO US - AMES CHAPTER 158! Our chapter will receive a Banner for 90% retention for the 1995-1996 year at the Annual Meeting in Chattanooga. What a great way to start our year and a challenge to achieve it again. It is the direct result of YOUR efforts that we were successful. Thank you!

Don't forget to make a New Year's Resolution for the ASWA year. Planning/presenting a meeting is just one way to show your commitment. If your haven't volunteered yet but would like to help, just see Judy. There are lots of other ways you can help, too. Start by coming to the September meeting and bringing your personal commitment. Hope to see you there.

Cindy Sippel, President

ABOUT OUR SPEAKER - ROGER MURPHY, CPA

Roger Murphy is a longtime member of the Iowa State University faculty where he currently is an associate professor. He also is a licensed C.P.A., works as an investigative consultant to the State of Iowa Accountancy Board. Many of you may remember Roger from Advanced Accounting Problems or Governmental Accounting courses you have taken from him. He also administrates the Conviser Duffy CPA Review Course at Iowa State.

Roger will be speaking about the changes in certification and licensing requirements on the horizon. Topics include the change in format of the exam, the 150 hour requirement, and possible changes in the use of the title of C.P.A. by unlicensed members. Those of you that know Roger know that he is an entertaining speaker, and it should be a fun night. **Why not call Judy for reservations right now!!**

Editor's Note - Sorry the Bulletin is so late this month. I have lost all my keys to home and office, as well as access to the floppy drive of my computer this week. As I cannot access the minutes that Sherri sent with the equipment that is available, we will have to see them at the meeting. Below please find the budget for the current fiscal year which was passed at the last meeting. I hope to see you all at this month's meeting, and bring some guests. If you don't know Roger Murphy, you are missing out. He is a lot of fun.

On the next page is the long promised new list of addresses. Try putting it in your calendar so its always handy. Cindy left room for new members.

Finally, a big thanks to Margaret Munson for sponsoring last month's bulletin, and to all those who have agreed to sponsor an upcoming bulletin. Also, thank you to Margaret for getting me set up, and leaving everything in great shape.
