President's Message

Last month's meeting was very informative. Miles Morrow did an excellent job of summarizing the outlook of our industry. The addition of the members of Beta Alpha Psi made the evening complete. Meeting and talking with them is energizing for me. The fresh look at our business is welcome.

The future has been on my mind quite a bit lately. My company is looking at the best way to grow and identify opportunities; Miles discussing the opportunities for accountants in the future; and our chapter is growing and serving more and more of those of us in our field locally. It is so exciting to see so many new faces on our slate of officers for next year. They will have a wonderful time being involved. We will all benefit from their new ideas and energy. And they will benefit from the experience of the veterans..

I want to thank all of you that have been active this year, whether that is fitting into your schedule the meetings or carrying a responsibility as an officer. This year's board and chairpersons have been tremendous. They have made this year very successful. I'd like to thank Margaret Munson, Marti Landers, Sue Ravenscroft, Penny Strum, and Nancy Campbell. I especially want to thank Jan Duffy, Kate Mulder, and Cindy Sippel, who have been my anchor this year and have kept things (and me) going. An absolutely wonderful team! I'm sure next year will be just as successful.

Hope to see you next week.
Brenda
