**MISSION STATEMENT:** *to enable women in all accounting and related fields to achieve their full personal, professional and economic potential and to contribute to the future development of their profession.*

## President's Message

February seems like the perfect time to reflect on all that membership in ASWA adds to our lives. For me, regular contact with other professionals is important in a number of ways.

As the only accounting professional in my organization, it is so reassuring to know that I have a group of women with a broad range of expertise that I can call on if the need arises. Every time I have asked for advise, help or support it has been given selflessly and without hesitation.

The CPE ASWA provides nearly every month has been fantastic. Even the programs that don't directly pertain to my current situation have been valuable in other ways. They have exposed me to areas that I may be interested in pursuing in the future, or have made me quite sure it is an area I never want to pursue. Some have been valuable in my personal life. The programs that don't qualify for CPE have been equally interesting and useful.

Although I have not had an opportunity to attend a national convention, I was able to participate in a regional conference our chapter sponsored when I was a student. I am looking forward to attending the regional conference in Minneapolis this spring. I WILL attend a national conference someday.

The older I get the more I realize how important the friendship of other women is in my life. The friendships I have formed through ASWA are priceless. Although I have not been able to participate in many of the extra networking and social activities planned by our group, I plan to in the future.

If you have experienced these benefits and know other accountants who could benefit from them, please invite them to one of our meetings. Share with them your thoughts and experiences of our small but mighty chapter. It has been a godsend to me and I thank you all.

Theresa

## **Regional**

**Region 3, North Central Region, Regional ASWA Conference May 18-20, 2006 in Minneapolis, MN.**

Plan now to attend - experience the excitement of this dynamic organization! Regional conferences don't get any closer unless we (or the Des Moines chapter) host them! See details at [www.aswa.org](http://www.aswa.org)

## **Member News**

### **Let's help our New Orleans ASWA Chapter Members!**

We have a couple of opportunities to directly help the New Orleans ASWA Chapter members after the Hurricane Katrina disaster this past year.

One way is to give a direct contribution. These direct contributions are not tax deductible, but do go directly to other ASWA members. Details on how this works are available on line at [www.aswa.org](http://www.aswa.org) by clicking the link for Hurricane Katrina Relief.

The second way is to "Adopt a Member". Here is an excerpt from our National President, Debbie Michael's message to Chapter Presidents (Oct. 8, 2004) explaining this program:

"Also, in an effort to help the beleaguered ASWA members in New Orleans and other affected areas, the ASWA Board of Directors has voted to waive the 2006 – 2007 membership dues for these 65 – 70 members at approximately \$100 each. To cover the cost of this initiative, an "Adopt A Member" Campaign has been launched as a challenge to you, the chapters, to sponsor one or more members' dues from the affected region. There are over 80 active chapters and if each of you sponsored just one member, the cost would be covered.

If your chapter is interested in being a part of this important campaign, please contact Monika at [monika@labhartmiles.com](mailto:monika@labhartmiles.com) with your chapter's pledge -- or interest in pledging. We'll be announcing those chapters at the Annual Business Meeting. The monies will not need to be collected until the Spring, so you'll have lots of time to fundraise throughout the year!"

During the above Board meeting, I pledged the Ames Chapter to adopt a member of the New Orleans chapter for next year. Karen Jacobson and Kathy Strum have offered their support to this cause also and pledged to

help me in this endeavor. If other chapter members would like to help, we will be taking pledges at the February meeting. I'm hoping that our chapter can soon report that we are willing to adopt more than one member! What a wonderful way to support our fellow ASWA members and help them keep their chapter strong during this unbelievable disaster. Please pledge a few dollars to help our New Orleans ASWA Chapter members!
