### MISSION STATEMENT

**To enable women in all accounting and related fields to achieve their full personal, professional and economic potential and to contribute to the future development of their profession.**

### MEETING INFORMATION

#### Meeting - October 21, 2015

The official meeting for October is our 25th Anniversary celebration on the Boone & Scenic Valley Railroad Dinner Train on October 21st. For those of you who are attending, please be sure to be there by 5:00 pm to check in. Boarding is at 5:15 pm with departure promptly at 5:30 pm. They do not wait for anyone. They did remind us to plan for trains when coming to the station so that we don't get caught by them, thereby making us late. Also, if you are planning to bring a bottle of wine, please bring a corkscrew if you need one. Glasses will be provided. To avoid a corkage fee and some other restrictions, our contract says that wait staff cannot open or pour the wine. See you there.

### PRESIDENT'S MESSAGE

Our 25<sup>th</sup> Anniversary celebration is almost here. My husband and I are really looking forward to going on the dinner train at the Boone Scenic Valley Railroad. Especially, since it will be one of the few occasions we have been able to attend together without the baby, which is needed after experiencing the shift a baby's personality can go through when getting two new teeth within two days of each other.

Colton is also getting very active and has started walking along the furniture. It won't be long before he starts running circles around everyone and gets into more mischief than he already does. He is also well aware of the word "No" and recently said it himself while trying to wrangle him into his pajamas over the weekend. Watching him grow and change has made me appreciate how much they can accomplish in such a short amount of time and how fast their little brains learn new things.

Lisa
